HOW WE WORK

- You can create digital bulletins based on the RUAC (Unique Registry of Animal Control), to find your lost dog; if you don't have one, a folio will be assigned to your bulletin.
- You can also log in as a rescuer or shelter to register pets you have found.

FEATURES OF OUR WEBSITE.

It's just a website, not an app.

Only dogs can be registered, not cats.

You need to log in to the website.

WHAT OUR WEBSITE CONTAIN.

- Each newsletter will feature pet traits as well as a reward and comments section.
- There will be a limit on the number of pets per user.
- You will be able to see newsletters from other app users.
- The bulletins can be modified to find
- Bulletins can only be posted for a specific area.
- Each user can choose their own password.
- You can report application errors
